Hi, Peter—

In account # 8100-9745, unit code 5301, you have \$8,449 in lab supply money that must be spent by the end of the fiscal year. You can **NOT** use it for chemicals of any sort. Julie would like you to use it to by your sources. By the way, could you save me copies of all your PO requests from now through the end of the year?

Thanks.
